

# GEORGINA PASTORAL FUTURE NTCA PROGRAM

2022 & 2023 Future NTCA leaders  
2023 NTCA Conference

The Georgina Pastoral Future NTCA program distinguishes up and coming leaders in the NT beef industry and enables them to reach their full potential through professional development workshops, industry tours, and networking events. Participants are equipped with the skills and knowledge to present themselves in a professional and clear manner, lead and mentor their peers, and inject new ideas and enthusiasm that influence the future direction of the NT pastoral industry.

# Welcome to our 2024 Application pack.

The Georgina Pastoral Future NTCA program was first established in 2014 to inspire, empower and support the next generation of leaders within the Northern Territory pastoral industry. This initiative provides an exciting opportunity in allowing the future leaders of the industry to be involved in the planning and decision making within the NTCA today.

The program has been successful in growing the potential of the industry's youth; capturing new ideas, networking and injecting renewed enthusiasm.

Now approaching its tenth year, the Georgina Pastoral Future NTCA program provides participants with the opportunity to network with current industry leaders, stakeholders and representatives from Territory and Federal Governments. Participation in the program will support the future leaders to establish relationships and the capacity to positively influence individual career aspirations as well as guaranteeing the continuing growth and prosperity of the pastoral industry.

2023 Leaders at underground Jakarta wet markets, Indonesia

**Individuals from all backgrounds and skill sets are encouraged to apply.**

# ENTRY REQUIREMENTS

- Aged between 18 and 35 years.
- Currently involved in, or closely connected to the Northern Territory cattle industry.
- Passionate about leadership of the cattle industry & willingness to make a contribution.
- Must be available to attend all of the future NTCA training events and information sessions.
- Must be willing to actively participate in respective NTCA branch meetings, initiatives & events.
- Ability and willingness to take an active role in the proceedings of the 2024-25 AGM and Conference & associated events.
- Ability to designate at least 2x weeks of your time to attend programs, see tentative program schedule.
- Ability to attend a 7-10 day Industry tour.

Applications will close on the 29th of January, with interviews commencing from 3rd of February. Interviews can be done remotely via teams. The selection panel will assess the applicant's application and suitability for the program.

Applicants will be notified via email if they have successfully made it to the interview stage on January 30th.
